

Up Your App-titude

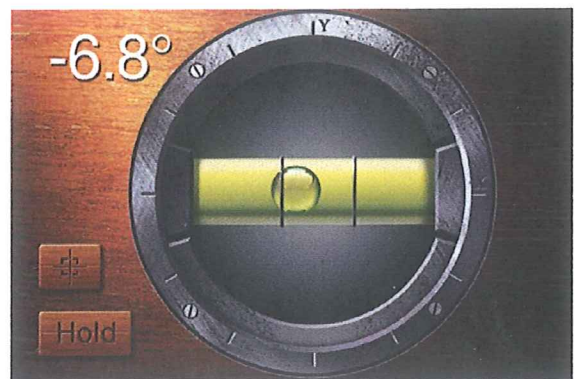

WORK, PLAY AND CREATE ON THE GO WITH MOBILE APPS/

“THERE’S AN APP app for that.” It may be a catchy marketing slogan, but more and more of the time, it’s also true. With thousands of new apps available through Apple’s App Store (AS) and the Android Market (AM), designers can do much of their work (and play) on the go. [i](#)

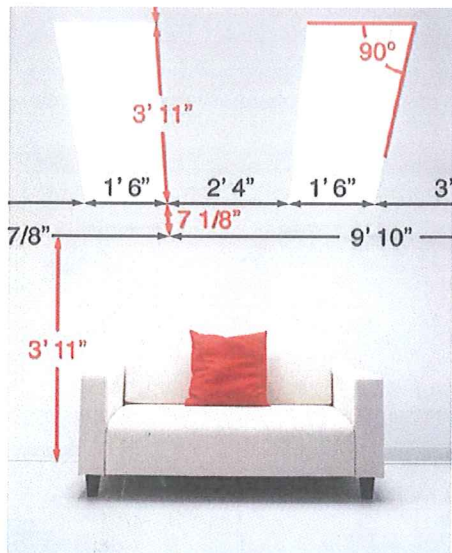

AUTOCAD ANYWHERE

The AutoCAD® WS web and mobile application for AutoCAD® software lets you view, edit and share DWG™ drawings through a web browser or mobile device. Store AutoCAD drawings and project files in online workspace. Free (AS/AM) www.autocadws.com/mobile

ON BALANCE

One of a suite of carpentry apps, iHandy Level acts as a level on your smartphone. Free (AS/AM) www.ihandysoft.com

WRITE ON

After taking a new image, or using a preexisting image, you can draw measurements directly on the image with Photo Measures and save it. Includes zoom and magnifying features to increase accuracy. \$4.99 (AS)

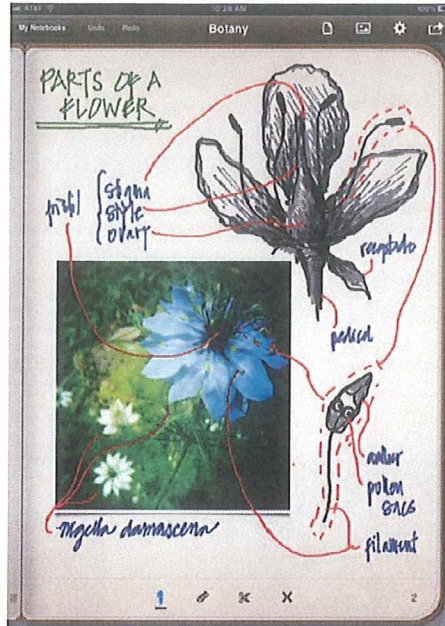

www.bigbluepixel.com/photo-measures

INSPIRED COLOR

Moodboard is a customizable bulletin board for organizing things that inspire you: images, photos, color swatches, text and more. Share your board with others. Includes a color palette picker and color loupe. \$9.99 (AS)

www.atinytribe.com/apps/moodboard

EXCEPTIONAL INK

Penultimate offers three pens, digital ink and paper, and a magic eraser tool to create beautiful drawings, calligraphy or annotated photos. Email single page images or entire notebooks in PDF format or send to your computer with iTunes File Sharing. \$0.99 (AS)

www.cocoabox.com/penultimate

ULTIMATE NOTEPAD

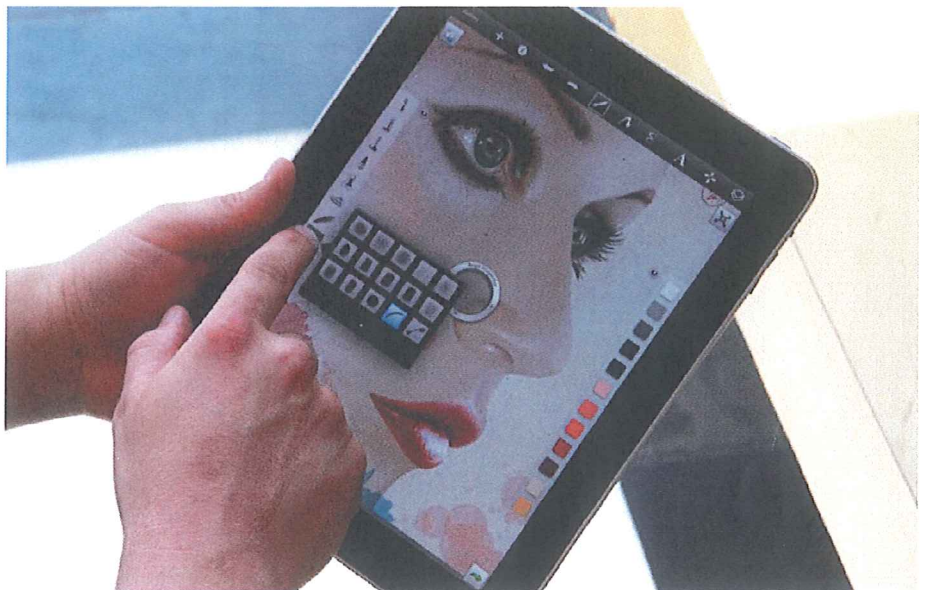

All the world's a note with Evernote. Snap a photo, record some audio, make a list, grab a web page and save them. Sync to all your devices to take your notes with you everywhere to share with colleagues or friends. Free (AS/AM)

www.evernote.com

MOVING PICTURES

TurboViewer lets you pan, zoom and rotate through more than 20 different 2D and 3D drawing types in DWG and DXF™ files. Free. Available with additional features as TurboViewX for \$6.99 and TurboViewerPro for \$24.99 (AS/AM)

www.insidedesign.com/turboviewer

IPAD EASEL
